

How to email a self complete PDF Form to us:

- 1) You could save it to your computer, and then send an email with an attachment.
- 2) A quicker way (unless you are using Chrome with their version of PDF reader) is to Do the following:

Complete form. When completed, click on the email icon (see arrow)

Click on the Send Copy button that pops up.

Add the email to: lisah@amlegalchicago.com. Click Send

That's it!
